IMER

## About KLS IMER

Karnatak Law Society's Institute of Management Education and Research has been a pioneer autonomous institution in Management education, research and consultancy in North Karnataka. Promoted by great visionaries, it has a team of highly qualified and research oriented faculty lead by a dynamic director and supported by a beautiful campus with state-of-the-art infrastructure.

KLS IMER is recognized as a Research Centre under Rani Channamma University, Belagavi. Over the years the institute has been consistently rated as one of the top B-schools in this part of the country. Institute has been accredited by NAAC with grade "A".

## About the FDP

Data is ubiquitous, but making sense of it is a significant task. To derive meaningful insights from data, we must all understand, analyse, and visually portray it. This one week online FDP intends to help faculty members and research scholars become acquainted with the powerful quantitative analytic tools Microsoft Excel, Tableau, and R from the comfort of their own homes.

## Objectives

- To familiarise the participants with Data Analysis using Advanced options through Microsoft Excel
- To Understand basics of Tableau, add visualisation effects and interactivity through dashboards
- Develop familiarity with R statistical programming language and perform simple statistical analysis

## Participant Profile

This FDP will be of interest to all faculty members aspiring to learn Business Analytics using Advanced Excel, Tableau and R and apply the same in their research endeavours.
