

## Alumni Feedback 2020-21

Total Responses 12

## Need any change in curriculum and syllabi/Additional inputs to improve the Curriculum

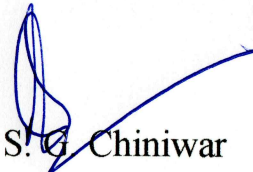

- Need more practical oriented curriculum other than bookish syllabus
- Placement services need to be improved
- Should motivate more on task based internship rather than research based
- Conducting more external activities and visiting organization it will help to get practical knowledge.
- Kindly have activities that give practical knowledge of what is there in text books. Add better books in library.

## Please suggest any skill development activity that institute should focus on for enhancing the employability responses

- Digital marketing SAP
- Practical knowledge
- Training and placement
- Add in practical activities, number of presentations. Talk about current trending scenarios. The college needs to focus more on skills than assignments and marks. A lot has changed in 1 year.
