A one-day conclave

LIGHTHOUSE : GUIDING EDUCATIONAL LEADERSHIP FOR THE FUTURE

Friday, 6th February 2026

ABOUT THE EVENT

Higher education is in its most interesting phase. With NEP and the advent of AI in education, suddenly the higher education seems to be drifting into uncharted territories. To be remain relevant with respect to industry, and society, we need lighthouse more than ever.

This conclave is an attempt to bring the academic leadership on a platform where we can debate, discuss and decide future course of action in a simple, focussed and collaborative way. The idea is to explore the future of higher education, reimagine existing frameworks, and discuss opportunities arising from global collaborations.

The following are the details of the conclave.

OBJECTIVES ARE TO

- Explore the future of higher education in India
- Reimagine existing frameworks of higher education and open a debate on what needs to be changed
- Gain insights from global practices in higher education with a focus on India's emerging opportunities
- Strengthen the spirit of nationalism and nation-building through higher education.
