• **Give three observation / suggestions to improve the overall teaching – learning experience in your institution**

- Excellent service provided by institution keep going encourage students in everything which is good for their education
- * Activity Based teaching style *
- College have Supportive faculty and mentors create a positive learning environment. Conduct practical learning through workshops, industry visits, and case studies. Regular mentor guidance, career counseling, and placement training help students in their academic and professional growth.
- It was good experience
- Should inculcate more field visits and practical learning Bring more case study filled teaching Improve the infrastructure facilities for sports and auditorium
- More Practical Exposure, More Industrial visit per subject More guidance from industry experts
- increasing the use of practical or digital visual media,
- Everything is good no suggestions
- digital learning and full dedication on students teaching
- I Am Glad to Be Part of This institution it helped to gain proper knowledge.
- Excellent teaching of all dedicated faculty members.
- Provide regular feedback and study materials to students
- well experienced staff, well infrastructure and helps students

- external practical activities are good
- Good institute with experienced professors overall a great learning experience
- I am glad to be the part of this institution, it helped me to gain proper knowledge and outstand my skills with faculty guidance and also helped to perform well for my future career. Thank you.
- 1. Work based learning Programme 2. Updating of some part of syllabus for Update examples and concepts
- The teaching methods are very effective and engaging The faculty members are supportive and knowledgeable
- My observation All the faculty member and director sir are very cooperative
- The learning is really good here, the teachers and director sir are very friendly and supportive. Also the collect actively helps in placement. Very satisfied overall
- I am glad to be a part of this institution. Regular classes, Mentoring, Guest lectures Helps us to gain knowledge.
