ii. Grievance Redressal mechanism for Faculty, staff and students

- The Management Institute follows an open and transparent administrative system, encouraging faculty, staff, and students to express their grievances without fear of discrimination.
- Suggestion and complaint boxes are placed at prominent locations across the campus and in hostels to facilitate easy submission of grievances.
- All grievances and suggestions received are reviewed periodically by the Grievance Redressal Committee, and appropriate remedial actions are taken in a timely manner. The outcomes are communicated through notice boards and official institutional channels.
- In matters related to misconduct or indiscipline, a disciplinary committee constituted by the Director conducts a thorough enquiry by interacting with concerned individuals and witnesses, and submits its recommendations to the management for further action.
- Grievances related to faculty and staff, such as salary, promotions, service conditions, and workload, are examined by the Human Resources Department in consultation with the Director and suitable corrective measures are implemented.
- Student grievances are addressed through Class Committee Meetings, Student–Faculty Interaction forums to resolve issues related to academics, evaluation, infrastructure, and student welfare.
- The institute ensures confidentiality, fairness, and timely resolution of grievances to maintain a harmonious academic and professional environment.

University Grants Commission

Notification

on

Refund of Fees and Non-Retention of Original Certificates

October, 2018

1. Introduction:

The Commission has notified University Grants Commission (Grievance Redressal) Regulations, 2012 on redressal of multifarious grievances of students. But given the sheer volume of the complaints regarding non-refund of fees and retention of original certificates by Higher Educational Institutions (HEI), the Commission felt the need to notify elaborate instructions so as to curb such malpractices and decided to issue appropriate instructions in the form of this Notification to all universities and other HEIs under the purview of the UGC.

2. Objective:

To prohibit coercive and profiteering institutional practices in the matters related to refund of fees in case of withdrawal from the programme and retention of original certificates at the time of and / or after admission.

In exercise of powers conferred by Section 12 (d) read with Section 12(j) of the UGC Act, 1956, the UGC issues this Notification for adoption of standard operating procedures in the matters related to refund of fees in the event of student's withdrawal from the program and non-retention of certificates at the time of admission.

3. Application and Enforcement

3.1. The instructions contained in this Notification shall be in supersession to its earlier Public Notice dated 23.04.2007 and its Notification dated 16th December, 2016. It shall be applicable to Undergraduate, Postgraduate and Research Programs run by universities included under Section 2 (f) of UGC Act, together with all colleges under their affiliating domain and institutions declared as deemed to be universities under Section 3 of the UGC Act.

3.2 The provisions contained in this Notification shall come into force with immediate effect and shall have regulatory force on extant as well as future grievances over issues and matters covered herein.

4. Specific provisions for Mandatory compliance by HEIs:

The Commission herewith lays down specific provisions and consequent mandatory compliance on the issues related to:

- (1) Refund of fees by the institution concerned in the event of the withdrawal from the programme by a student; and
- (2) Verification and non-retention of academic and personal certificates of student;

For any complaint in respect of (1) & (2) above, the grievance redressal mechanism as prescribed under UGC (Grievance Redressal) Regulations, 2012, shall be followed.

4.1 Refund of Fees

4.1.1 No HEI shall make it mandatory for applicants to purchase the institutional prospectus at any time during the course of the programme of study. Purchasing prospectus shall be the personal choice of the applicant and he/she shall have rights to decide against it in case he/she wishes to access the information from the institutional website. As laid down in the Right to Information Act, 2005, and reiterated in the UGC Guidelines on Students' Entitlement, all HEIs shall disclose on their website and prospectus information regarding the status of the institution, its affiliation, accreditation

status, physical assets and amenities, course-wise sanctioned intake of students, various types of fees payable for different programmes, total fees payable for an entire programme, last date of admission, details of faculty, members of governing bodies and minutes of the meetings of bodies like Academic/Executive Council, sources of income, the financial situation and any other information about its functioning, necessary for an applicant to make a fully informed choice.

4.1.2 HEIs shall charge fees in advance only for the semester/year in which a student is to engage in academic activities. Collecting advance fees for the entire programme of study or for more than one semester/year in which a student is enrolled is strictly prohibited.

4.1.3 If a student chooses to withdraw from the programme of study in which he/she is enrolled, the institution concerned shall follow the following five-tier system for the refund of fees* remitted by the student.

S. No	Percentage of Refund of fees*	Point of time when notice of withdrawal of admission is received in the HEI
(1)	100%	15 days or more before the formally-notified last date of admission
(2)	90%	Less than 15 days before the formally-notified last date of admission
(3)	80%	15 days or less after the formally-notified last date of admission

Institution's Innovation Council (IIC)

Our college has established the Institution's Innovation Council (IIC) to promote activities related to innovation, Intellectual Property Rights (IPR), startups, and entrepreneurship. The council comprises both faculty members and students, encouraging collaborative participation in innovation-driven initiatives.

The IIC cell conducts quarterly meetings to plan upcoming activities and review the initiatives carried out during the previous quarter. Through these activities, students receive opportunities to participate in various innovation-related programs and competitions organized by the Ministry of Education (formerly MHRD).

Students actively interact with renowned entrepreneurs, business leaders, and academicians, which helps them nurture and develop their innovative ideas. The KLS IMER IIC also encourages students to experiment with emerging technologies and develop prototypes, thereby strengthening their confidence and practical skills.

Overall, the council provides students with a supportive ecosystem that guides them from ideation to startup development.

Major Focus Areas of IIC

- Creating a vibrant local innovation ecosystem within the institution
 - Developing startup and entrepreneurship support mechanisms
 - Preparing the institute for Atal Ranking of Institutions on Innovation Achievements (ARIIA)
 - Establishing a functional ecosystem for scouting innovative ideas and pre-incubation
- Enhancing the cognitive and creative abilities of technology students

Sir/Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings

The institution has been found to be suffering from several deficiencies, which are listed in **Annexure-A** for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another **last opportunity** to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of **KARNATAKA LAW SOCIETY'S INSTITUTE OF MANAGEMENT, EDUCATION & RESEARCH, Sy. No. 77, Tilakawadi, Vadagoan Road, Belgaum - 590 011, , ,** your institution for the year 2005-06 is as under: -
